# Notice to Prospective Buyers

**The Catalogue:** Details of the properties and land to be sold are set out in the catalogue and on the website [auctionhouselondon.co.uk](http://auctionhouselondon.co.uk). It is important that prospective purchasers satisfy themselves as to the location, boundaries, conditions and state of the lots before the auction.

**Plans, Maps and Photographs:** The plans, floorplans, maps, photographs and video tours published on the website and in the catalogue, are to aid identification of the property only. The plans are not to scale.

**Guide Prices & Reserve Price:**\* Guide Prices quoted online and in the catalogue, are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a reserve price which the auctioneers expect will be set within the guide price range or no more than 10% above a single figure guide. This is a confidential figure set between the Vendor and the Auctioneer just prior to the auction. It is a figure below which the Auctioneer cannot sell the property during the auction. Unless otherwise stated, all property is sold subject to a reserve whether declared or not.

**Viewing:** Due to the nature and condition of auction properties, the auctioneers highlight the potential risk that viewing such property carries and advise all to proceed with caution and take necessary requirements to ensure their own safety whilst viewing any lots offered. Viewings are conducted entirely at the potential buyers own risk, these properties are not owned or controlled by Auction House London and the auctioneers will not be held liable for loss or injury caused while viewing or accessing the lot. Due to the nature of some auction properties, electricity may not be turned on, therefore viewing times are restricted. Viewers will need to bring their own lighting/ladders if wanting to inspect cupboards, cellars and roof spaces. Viewings are carried out by third party agents and we will endeavour to give appropriate notice should the published viewing time change. Auction House London will not be liable for any costs or losses incurred due to viewing cancellations or no shows.

**Pre Auction Sales:** Offers made on property included in this auction may be accepted by the Vendor prior to the auction. If prospective buyers are intending to bid at the auction for a specific lot, the auctioneers recommend that potential buyers keep in contact with the Auctioneer's office.

**Attending the Auction:** It is always wise to allow sufficient time to get online before the auction begins. The auctioneer will generally offer the lots in the order as shown in the catalogue, although they reserve the right to amend the order of sale. Legal packs for most of the properties will be available to download. It is important prospective buyers read these and the final addendum/amendment sheet.

**Addendum:** The addendum is an important document and provides details of the amendments to the catalogue and Conditions of Sale. Prospective buyers should ensure they inspect this document as its content will form part of the sales contract. Prospective buyers should ensure that they have a copy of the catalogue and addendum prior to bidding and are deemed to have read these documents whether they have done so or not.

**Bidding:** Each property will be offered individually by the Auctioneer. Ensure that bids are clear and noticed by the Auctioneer. Bids may be refused at the Auctioneer's discretion and the auctioneers reserve the right to bid on behalf of the vendor up to the reserve. At the fall of the hammer the successful bidder will be under a binding contract to purchase the property in accordance with the general and special conditions of sale, together with the addendum and contents of the notice. At the contracts desk the successful bidder will be required to supply without delay their name and address, solicitor's details, identification and deposit. They will then be required to sign the auction memorandum.

**Bidding by Proxy or Telephone:** If prospective buyers are unable to attend the auction they are invited to contact the auctioneers to discuss special arrangements for bidding by proxy or telephone. A Non-Attending Bid or Telephone Bid form and conditions can be downloaded from the website. If bidding by telephone, the auctioneers accept no liability for poor signal or being unable to reach prospective buyers at the time required.

**The Contract:** The Memorandum of Sale will be signed in duplicate. One copy will be given to the prospective buyer, which must be given to their solicitor. The second copy will be retained by the Vendor's solicitor. Completion of the sale and payment of the purchase money is typically 28 days after the exchange of contracts unless the conditions of sale provide otherwise.

**Deposit:** When the Memorandum of Sale is signed, the buyer will be asked to pay a deposit amount of 10% of the purchase price (plus VAT where applicable) for each lot subject to a minimum amount of £5,000 unless otherwise stated by the auctioneer. Payment can be made by electronic bank transfer, bankers draft, company/personal cheque, debit or credit card. Please note cash deposits are not accepted under any circumstances. The auctioneers only accept deposit cheques on the basis that there are adequate funds in the account on which the cheque is drawn and reserve the right to take any action as appropriate against a purchaser whose cheque is not honoured on first presentation. Please note, there is a 2% interest charge if the buyer pays the deposit via credit card and a cheque handling fee of £30.00 (£25.00 +VAT). Should the cheque have to be represented, a processing charge of £60.00 (£50.00 +VAT) will be charged by deduction from the deposit. Where a deposit is paid to us as stakeholder we are at liberty to transfer all or part of it prior to completion to the Seller's solicitors (net of any fees and commission that will be due to us from the Seller) for them to hold as stakeholder in our place.

**Administration Charge:** Purchasers will be required to pay an administration charge of £1,800 (£1,500 + VAT) (unless stated otherwise in the property description). It is strongly recommended all purchasers check the special conditions of sale as other fees may also apply to individual properties.

**Buyer's Premium:** Purchasers of some lots will be required to pay a Buyer's Premium to the auctioneer in addition to the deposit – see individual property details.

**Disbursements/Additional Fees:** Some additional fees or disbursements may become payable by the purchaser to the seller on completion. These will be detailed in the Special Conditions of Sale within the property's legal pack and may be written in words. Prospective buyers are advised to check the Special Conditions of Sale carefully.

**VAT:** Unless otherwise provided in the Special Conditions of Sale, all lots are sold exclusive of VAT.

**The Legal Aspect:** Buying at auction is a contractual commitment and prospective buyers bid on the basis that they have checked the General Conditions of Sale, that are detailed at the back of the catalogue, and the Special Conditions of Sale relating to each individual lot. If there is a conflict between them, the Special Conditions of Sale shall prevail. The legal packs can be found online. Prospective buyers bid on the basis that they are deemed to have inspected all lots, have made all necessary enquiries and

have checked the legal documentation. Buyers are deemed to be satisfied that they fully understand their content. The auctioneers strongly suggest that buyers take legal and professional advice prior to making an offer prior to auction, bidding at the auction, or post auction. The auctioneers will make every possible endeavour to provide access to all lots prior to the sale although this cannot be guaranteed. The auctioneers will attempt to answer any queries prior to auction and in the auction room. The auctioneer will not be able to answer any questions whilst the auction is proceeding.

**Access:** Please note that purchasers will not be entitled to keys or access to properties until completion of sale. If access is required it may be arranged through the auctioneers with the express permission of the vendor and there may be a payable fee.

**Insurance:** On some properties, the seller will continue to insure through to completion and others will need to be insured by the purchaser. The auctioneers advise to all purchasers that they should consider insuring from the date of the exchange.

**Post-auction Sale:** If a potential purchaser is interested in a property that is not sold during the auction, they need to speak to the Auctioneer and make an offer at, above or below the Guide. The offer will be put forward to the Vendor and if accepted, the prospective buyer will be able to proceed with the purchase under auction rules.

**Disclaimer:** Particulars on the website and within the catalogue are believed to be correct but their accuracy is not guaranteed. The auctioneers will always endeavour to inform prospective purchasers of variations to the catalogue, when such changes are brought to their attention. The auctioneers nor their clients can be held responsible for any losses, damages, or abortive costs incurred in respect of lots that are withdrawn or sold prior to auction. Information relating to Rating matters has been obtained by verbal enquiry only. Prospective purchasers are advised to make their own enquiries of the appropriate authorities. Prospective purchasers are deemed to verify for themselves whether tenanted properties are occupied and rents are being paid. All measurements, areas and distances are approximate only. Potential buyers are advised to check them. No representation or warranty is made in respect to the structure of any properties nor in relation to their state of repair. Prospective buyers should arrange for a survey of the particular lot by a professionally qualified person. If you choose to make an offer based solely on a virtual viewing, then Auction House London does not accept any liability for errors in the information provided, including but not limited to, measurements, photography and video content.

**\*Please refer to the common auction conditions included on the website or at the back of the catalogue.**

## Proof of Identification

In order to comply with Anti-Money Laundering regulations, the auctioneers ask all prospective buyers to provide Proof of Identity and Residence. They will need to bring their passport or photographic UK driving licence and a recent utility bill, bank statement or council tax bill to the auction. If they are purchasing on behalf of a company they will need the certificate of incorporation and a letter of authority on company letterhead. The auctioneers will carry out Electronic AML checks on successful buyers and remote bidders.

**At registration for the auction you must provide 2 forms of ID, one photographic and one proof of residence that is dated within the last 3 months. The full details of Proof of Identity are set out in the back of this catalogue.**

For further details, please refer to the back of this catalogue for a detailed overview, or alternatively contact Auction House London on 020 7625 9007 or email us at [info@auctionhouselondon.co.uk](mailto:info@auctionhouselondon.co.uk)

# Common Auction Conditions (Edition 4)

## Reproduced with the consent of the RICS

Common Auction Conditions (4th Edition – reproduced with the consent of the RICS). The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

### INTRODUCTION

The Common Auction Conditions are designed for real estate auctions, to set a consistent practice across the industry. There are three sections, all of which must be included without variation, except where stated:

### GLOSSARY

The glossary gives special meanings to certain words used in the conditions.

### AUCTION CONDUCT CONDITIONS

The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who participates in the auction. They apply wherever the property is located, and cannot be changed without the auctioneer's agreement.

We recommend that these conditions are set out in a two-part notice to bidders, part one containing advisory material – which auctioneers can tailor to their needs – and part two the auction conduct conditions and any extra auction conduct conditions.

### SALE CONDITIONS

The Sale Conditions apply only to property in England and Wales, and govern the agreement between each seller and buyer. They include general conditions of sale and template forms of special conditions of sale, tenancy and arrears schedules and a sale memorandum. They must not be used if other standard conditions apply.

### GLOSSARY

This glossary applies to the AUCTION CONDUCT CONDITIONS and the SALE CONDITIONS. It is a compulsory section of the Common AUCTION Conditions that must be included without variation (but the SPECIAL CONDITIONS may include defined words that differ from the glossary so long as they apply only to the SPECIAL CONDITIONS).

The laws of England and Wales apply to the CONDITIONS and YOU, WE, the SELLER and the BUYER all submit to the jurisdiction of the Courts of England and Wales.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;
- a "person" includes a corporate body;
- words of one gender include the other genders;
- references to legislation are to that legislation as it may have been modified or re-enacted by the date of the AUCTION or the CONTRACT DATE (as applicable); and
- where the following words appear in small capitals they have the specified meanings.

### ACTUAL COMPLETION DATE

The date when COMPLETION takes place or is treated as taking place for the purposes of apportionment and calculating interest.

### ADDENDUM

An amendment or addition to the CONDITIONS or to the PARTICULARS or to both whether contained in a supplement to the CATALOGUE, a written notice from the AUCTIONEERS or an oral announcement at the AUCTION.

### AGREED COMPLETION DATE

Subject to CONDITION G9.3:

- the date specified in the SPECIAL CONDITIONS; or
- if no date is specified, 20 BUSINESS DAYS after the CONTRACT DATE; but if that date is not a BUSINESS DAY the first subsequent BUSINESS DAY.

### APPROVED FINANCIAL INSTITUTION

Any bank or building society that is regulated by a competent UK regulatory authority or is otherwise acceptable to the AUCTIONEERS.

### ARREARS

ARREARS of rent and other sums due under the TENANCIES and still outstanding on the ACTUAL COMPLETION DATE.

### ARREARS SCHEDULE

The ARREARS schedule (if any) forming part of the SPECIAL CONDITIONS.

### AUCTION

The AUCTION advertised in the CATALOGUE.

### AUCTION CONDUCT CONDITIONS

The conditions so headed, including any extra AUCTION CONDUCT CONDITIONS.

### AUCTIONEERS

The AUCTIONEERS at the AUCTION.

### BUSINESS DAY

Any day except (a) Saturday or Sunday or (b) a bank or public holiday in England and Wales.

### BUYER

### CATALOGUE

The catalogue for the AUCTION as it exists at the date of the AUCTION (or, if the catalogue is then different, the date of the CONTRACT) including any ADDENDUM and whether printed or made available electronically.

### COMPLETION

Unless the SELLER and the BUYER otherwise agree, the occasion when they have both complied with the obligations under the CONTRACT that they are obliged to comply with prior to COMPLETION, and the amount payable on COMPLETION has been unconditionally received in the SELLER'S conveyancer's client account (or as otherwise required by the terms of the CONTRACT).

### CONDITION

One of the AUCTION CONDUCT CONDITIONS or SALE CONDITIONS.

### CONTRACT

The CONTRACT by which the SELLER agrees to sell and the BUYER agrees to buy the LOT.

### CONTRACT DATE

The date of the AUCTION or, if the LOT is sold before or after the AUCTION: a) the date of the SALE MEMORANDUM signed by both the SELLER and BUYER; or

b) if CONTRACTS are exchanged, the date of exchange. If exchange is not effected in person or by an irrevocable agreement to exchange made by telephone, fax or electronic mail the date of exchange is the date on which both parts have been signed and posted or otherwise placed beyond normal retrieval.

### DOCUMENTS

DOCUMENTS of title including, if title is registered, the entries on the register and the title plan and other DOCUMENTS listed or referred to in the SPECIAL CONDITIONS relating to the LOT (apart from FINANCIAL CHARGES).

### EXTRA GENERAL CONDITIONS

Any CONDITIONS added or varied by the AUCTIONEERS starting at CONDITION G30.

### FINANCIAL CHARGE

A charge to secure a loan or other financial indebtedness (but not including a rentcharge or local land charge).

### GENERAL CONDITIONS

The SALE CONDITIONS headed 'GENERAL CONDITIONS OF SALE', including any EXTRA GENERAL CONDITIONS.

### INTEREST RATE

If not specified in the SPECIAL CONDITIONS, the higher of 6% and 4% above the base rate from time to time of Barclays Bank plc. The INTEREST RATE will also apply to any judgment debt, unless the statutory rate is higher.

### LOT

### PARTICULARS

### PRICE

The PRICE (exclusive of VAT) that the BUYER agrees to pay for the LOT.

### READY TO COMPLETE

Ready, willing and able to complete: if COMPLETION would enable the SELLER to discharge all FINANCIAL CHARGES secured on the LOT that have to be discharged by COMPLETION, then those outstanding financial charges do not prevent the SELLER from being READY TO COMPLETE.

### SALE CONDITIONS

The GENERAL CONDITIONS as varied by any SPECIAL CONDITIONS or ADDENDUM.

### SALE MEMORANDUM

The form so headed (whether or not set out in the CATALOGUE) in which the terms of the CONTRACT for the sale of the LOT are recorded.

### TUPE

The TRANSFER of Undertakings (Protection of Employment) Regulations 2006.

### VAT

Value Added Tax or other tax of a similar nature.

### VAT OPTION

An option to tax.

### WE (and US and OUR)

The AUCTIONEERS.

### YOU (and YOUR)

Someone who has seen the CATALOGUE or who attends or bids at or otherwise participates in the AUCTION, whether or not a BUYER.

### AUCTION CONDUCT CONDITIONS

Words in small capitals have the special meanings defined in the Glossary. The AUCTION CONDUCT CONDITIONS (as supplemented or varied by CONDITION A6, if applicable) are a compulsory section of the Common AUCTION Conditions. They cannot be disappplied or varied without OUR agreement, even by a CONDITION purporting to replace the Common AUCTION Conditions in their entirety.

### A1

#### INTRODUCTION

A1.1 The AUCTION CONDUCT CONDITIONS apply wherever the LOT is located.

A1.2 If YOU make a bid for a LOT or otherwise participate in the

### A2

A2.1

AUCTION it is on the basis that YOU accept these AUCTION CONDUCT CONDITIONS. They govern OUR relationship with YOU. They can be varied only if WE agree.

### OUR ROLE

- As agents for each SELLER we have authority to
  - prepare the CATALOGUE from information supplied by or on behalf of each SELLER;
  - offer each LOT for sale;
  - sell each LOT;
  - receive and hold deposits;
  - sign each SALE MEMORANDUM; and
  - treat a CONTRACT as repudiated if the BUYER fails to sign a SALE MEMORANDUM or pay a deposit as required by these AUCTION CONDUCT CONDITIONS or fails to provide identification as required by the AUCTIONEERS.

OUR decision on the conduct of the AUCTION is final.

WE may cancel the AUCTION, or alter the order in which LOTS are offered for sale. WE may also combine or divide LOTS. A LOT may be sold or withdrawn from sale prior to the AUCTION.

YOU acknowledge that to the extent permitted by law WE owe YOU no duty of care and YOU have no claim against US for any loss.

WE may refuse to admit one or more persons to the AUCTION without having to explain why.

YOU may not be allowed to bid unless YOU provide such evidence of YOUR identity and other information as WE reasonably require from all bidders.

### BIDDING AND RESERVE PRICES

All bids are to be made in pounds sterling exclusive of VAT. WE may refuse to accept a bid. WE do not have to explain why.

If there is a dispute over bidding WE are entitled to resolve it, and OUR decision is final.

Unless stated otherwise each LOT is subject to a reserve PRICE (which may be fixed just before the LOT is offered for sale). If no bid equals or exceeds that reserve PRICE the LOT will be withdrawn from the AUCTION.

Where there is a reserve PRICE the SELLER may bid (or ask US or another agent to bid on the SELLER'S behalf) up to the reserve PRICE but may not make a bid equal to or exceeding the reserve PRICE. YOU accept that it is possible that all bids up to the reserve PRICE are bids made by or on behalf of the SELLER.

### THE PARTICULARS AND OTHER INFORMATION

WE have taken reasonable care to prepare PARTICULARS that correctly describe each LOT.

The PARTICULARS are based on information supplied by or on behalf of the SELLER. YOU need to check that the information in the PARTICULARS is correct.

If the SPECIAL CONDITIONS do not contain a description of the LOT, or simply refer to the relevant LOT number, you take the risk that the description contained in the PARTICULARS is incomplete or inaccurate, as the PARTICULARS have not been prepared by a conveyancer and are not intended to form part of a legal CONTRACT.

The PARTICULARS and the SALE CONDITIONS may change prior to the AUCTION and it is YOUR responsibility to check that YOU have the correct versions.

If WE provide information, or a copy of a DOCUMENT, WE do so only on the basis that WE are not responsible for the accuracy of that information or DOCUMENT.

### THE CONTRACT

A successful bid is one WE accept as such (normally on the fall of the hammer). This CONDITION A5 applies to YOU only if YOU make the successful bid for a LOT.

YOU are obliged to buy the LOT on the terms of the SALE MEMORANDUM at the PRICE YOU bid (plus VAT, if applicable). YOU must before leaving the AUCTION

- provide all information WE reasonably need from YOU to enable US to complete the SALE MEMORANDUM (including proof of your identity if required by US);
- sign the completed SALE MEMORANDUM; and
- pay the deposit.

If YOU do not WE may either

- as agent for the SELLER treat that failure as YOUR repudiation of the CONTRACT and offer the LOT for sale again; the SELLER may then have a claim against YOU for breach of CONTRACT; or

- sign the SALE MEMORANDUM on YOUR behalf.

The deposit

- must be paid in pounds sterling by cheque or by bankers' draft made payable to US (or, at OUR option, the SELLER'S conveyancer) drawn on an APPROVED FINANCIAL INSTITUTION (CONDITION A6 may state if WE accept any other form of payment);

- may be declined by US unless drawn on YOUR account, or that of the BUYER, or of another person who (we are satisfied) would not expose US to a breach of money laundering regulations;

- is to be held by US (or, at OUR option, the SELLER'S conveyancer); and

- is to be held as stakeholder where VAT would be

| A5.6  | WE may retain the SALE MEMORANDUM signed by or on behalf of the SELLER until the deposit has been received in cleared funds.  |  |  |  |  |
| A5.7  | Where WE hold the deposit as stakeholder WE are authorised to release it (and interest on it if applicable) to the SELLER on COMPLETION or, if COMPLETION does not take place, to the person entitled to it under the SALE CONDITIONS.  |  |  |  |  |

| <b>GENERAL CONDITIONS OF SALE</b>   |   |  |  |  |  |
| Words in small capitals have the special meanings defined in the Glossary. The GENERAL CONDITIONS (as WE supplement or change them by any EXTRA GENERAL CONDITIONS or ADDENDUM) are compulsory but may be disapplied or changed in relation to one or more LOTS by SPECIAL CONDITIONS. The template form of SALE MEMORANDUM is not compulsory but is to be varied only if WE agree. The template forms of SPECIAL CONDITIONS and schedules are recommended, but are not compulsory and may be changed by the SELLER of a LOT. |   |  |  |  |  |
