Notice to Prospective Buyers

The Catalogue: Details of the properties and land to be sold are set out in the catalogue and on the website auctionhouSELONDON.CO.UK. It is important that prospective purchasers satisfy themselves as to the location, boundaries, conditions and state of the lots before the auction.

Plans, Maps and Photographs: The plans, floorplans, maps, photographs and video tours published on the website and in the catalogue, are to aid identification of the property only. The plans are not to scale.

Guide Prices & Reserve Price:* Guide Prices quoted online and in the catalogue, are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a reserve price which the auctioneers expect will be set within the guide price range or no more than 10% above a single figure guide. This is a confidential figure set between the Vendor and the Auctioneer just prior to the auction. It is a figure below which the Auctioneer cannot sell the property during the auction. Unless otherwise stated, all property is sold subject to a reserve whether declared or not.

Viewing: Due to the nature and condition of auction properties, the auctioneers highlight the potential risk that viewing such property carries and advise all to proceed with caution and take necessary requirements to ensure their own safety whilst viewing any lots offered. Viewings are conducted entirely at the potential buyers own risk, these properties are not owned or controlled by Auction House London and the auctioneers will not be held liable for loss or injury caused while viewing or accessing the lot. Due to the nature of some auction properties, electricity may not be turned on, therefore viewing times are restricted. Viewers will need to bring their own lighting/ladders if wanting to inspect cupboards, cellars and roof spaces. Viewings are carried out by third party agents and we will endeavour to give appropriate notice should the published viewing time change. Auction House London will not be liable for any costs or losses incurred due to viewing cancellations or no shows.

Pre Auction Sales: Offers made on property included in this auction may be accepted by the Vendor prior to the auction. If prospective buyers are intending to bid at the auction for a specific lot, the auctioneers recommend that potential buyers keep in contact with the Auctioneer's office.

Attending the Auction: It is always wise to allow sufficient time to get online before the auction begins. The auctioneer will generally offer the lots in the order as shown in the catalogue, although they reserve the right to amend the order of sale. Legal packs for most of the properties will be available to download. It is important prospective buyers read these and the final addendum/amendment sheet.

Addendum: The addendum is an important document and provides details of the amendments to the catalogue and Conditions of Sale. Prospective buyers should ensure they inspect this document as its content will form part of the sales contract. Prospective buyers should ensure that they have a copy of the catalogue and addendum prior to bidding and are deemed to have read these documents whether they have done so or not.

Bidding: Each property will be offered individually by the Auctioneer. Ensure that bids are clear and noticed by the Auctioneer. Bids may be refused at the Auctioneer's discretion and the auctioneers reserve the right to bid on behalf of the vendor up to the reserve. At the fall of the hammer the successful bidder will be under a binding contract to purchase the property in accordance with the general and special conditions of sale, together with the addendum and contents of the notice. At the contracts desk the successful bidder will be required to supply without delay their name and address, solicitor's details, identification and deposit. They will then be required to sign the auction memorandum.

Bidding by Proxy or Telephone: If prospective buyers are unable to attend the auction they are invited to contact the auctioneers to discuss special arrangements for bidding by proxy or telephone. A Non-Attending Bid or Telephone Bid form and conditions can be downloaded from the website. If bidding by telephone, the auctioneers accept no liability for poor signal or being unable to reach prospective buyers at the time required.

The Contract: The Memorandum of Sale will be signed in duplicate. One copy will be given to the prospective buyer, which must be given to their solicitor. The second copy will be retained by the Vendor's solicitor. Completion of the sale and payment of the purchase money is typically 28 days after the exchange of contracts unless the conditions of sale provide otherwise.

Deposit: When the Memorandum of Sale is signed, the buyer will be asked to pay a deposit amount of 10% of the purchase price (plus VAT where applicable) for each lot subject to a minimum amount of £5,000 unless otherwise stated by the auctioneer. Payment can be made by electronic bank transfer, bankers draft, company/personal cheque, debit or credit card. Please note cash deposits are not accepted under any circumstances. The auctioneers only accept deposit cheques on the basis that there are adequate funds in the account on which the cheque is drawn and reserve the right to take any action as appropriate against a purchaser whose cheque is not honoured on first presentation. Please note, there is a 2% interest charge if the buyer pays the deposit via credit card and a cheque handling fee of £30.00 (£25.00 +VAT). Should the cheque have to be represented, a processing charge of £60.00 (£50.00 +VAT) will be charged by deduction from the deposit. Where a deposit is paid to us as stakeholder we are at liberty to transfer all or part of it prior to completion to the Seller's solicitors (net of any fees and commission that will be due to us from the Seller) for them to hold as stakeholder in our place.

Administration Charge: Purchasers will be required to pay an administration charge of £1,800 (£1,500 + VAT) (unless stated otherwise in the property description). It is strongly recommended all purchasers check the special conditions of sale as other fees may also apply to individual properties.

Buyer's Premium: Purchasers of some lots will be required to pay a Buyer's Premium to the auctioneer in addition to the deposit – see individual property details.

Disbursements/Additional Fees: Some additional fees or disbursements may become payable by the purchaser to the seller on completion. These will be detailed in the Special Conditions of Sale within the property's legal pack and may be written in words. Prospective buyers are advised to check the Special Conditions of Sale carefully.

VAT: Unless otherwise provided in the Special Conditions of Sale, all lots are sold exclusive of VAT.

The Legal Aspect: Buying at auction is a contractual commitment and prospective buyers bid on the basis that they have checked the General Conditions of Sale, that are detailed at the back of the catalogue, and the Special Conditions of Sale relating to each individual lot. If there is a conflict between them, the Special Conditions of Sale shall prevail. The legal packs can be found online. Prospective buyers bid on the basis that they are deemed to have inspected all lots, have made all necessary enquiries and

have checked the legal documentation. Buyers are deemed to be satisfied that they fully understand their content. The auctioneers strongly suggest that buyers take legal and professional advice prior to making an offer prior to auction, bidding at the auction, or post auction. The auctioneers will make every possible endeavour to provide access to all lots prior to the sale although this cannot be guaranteed. The auctioneers will attempt to answer any queries prior to auction and in the auction room. The auctioneer will not be able to answer any questions whilst the auction is proceeding.

Access: Please note that purchasers will not be entitled to keys or access to properties until completion of sale. If access if required it may be arranged through the auctioneers with the express permission of the vendor and there may be a payable fee.

Insurance: On some properties, the seller will continue to insure through to completion and others will need to be insured by the purchaser. The auctioneers advise to all purchasers that they should consider insuring from the date of the exchange.

Post-auction Sale: If a potential purchaser is interested in a property that is not sold during the auction, they need to speak to the Auctioneer and make an offer at, above or below the Guide. The offer will be put forward to the Vendor and if accepted, the prospective buyer will be able to proceed with the purchase under auction rules.

Disclaimer: Particulars on the website and within the catalogue are believed to be correct but their accuracy is not guaranteed. The auctioneers will always endeavour to inform prospective purchasers of variations to the catalogue, when such changes are brought to their attention. The auctioneers nor their clients can be held responsible for any losses, damages, or abortive costs incurred in respect of lots that are withdrawn or sold prior to auction. Information relating to Rating matters has been obtained by verbal enquiry only. Prospective purchasers are advised to make their own enquiries of the appropriate authorities. Prospective purchasers are deemed to verify for themselves whether tenanted properties are occupied and rents are being paid. All measurements, areas and distances are approximate only. Potential buyers are advised to check them. No representation or warranty is made in respect to the structure of any properties nor in relation to their state of repair. Prospective buyers should arrange for a survey of the particular lot by a professionally qualified person. If you choose to make an offer based solely on a virtual viewing, then Auction House London does not accept any liability for errors in the information provided, including but not limited to, measurements, photography and video content.

***Please refer to the common auction conditions included on the website or at the back of the catalogue.**

Proof of Identification

In order to comply with Anti-Money Laundering regulations, the auctioneers ask all prospective buyers to provide Proof of Identity and Residence. They will need to bring their passport or photographic UK driving licence and a recent utility bill, bank statement or council tax bill to the auction. If they are purchasing on behalf of a company they will need the certificate of incorporation and a letter of authority on company letterhead. The auctioneers will carry out Electronic AML checks on successful buyers and remote bidders.

At registration for the auction you must provide 2 forms of ID, one photographic and one proof of residence that is dated within the last 3 months. The full details of Proof of Identity are set out in the back of this catalogue.

For further details, please refer to the back of this catalogue for a detailed overview, or alternatively contact Auction House London on 020 7625 9007 or email us at info@auctionhouSELONDON.CO.UK

Common Auction Conditions (Edition 4)

Reproduced with the consent of the RICS

Common Auction Conditions (4th Edition – reproduced with the consent of the RICS). The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

INTRODUCTION

The Common Auction Conditions are designed for real estate auctions, to set a consistent practice across the industry. There are three sections, all of which must be included without variation, except where stated:

GLOSSARY

The glossary gives special meanings to certain words used in the conditions.

AUCTION CONDUCT CONDITIONS

The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who participates in the auction. They apply wherever the property is located, and cannot be changed without the auctioneer's agreement.

We recommend that these conditions are set out in a two-part notice to bidders, part one containing advisory material – which auctioneers can tailor to their needs – and part two the auction conduct conditions and any extra auction conduct conditions.

SALE CONDITIONS

The Sale Conditions apply only to property in England and Wales, and govern the agreement between each seller and buyer. They include general conditions of sale and template forms of special conditions of sale, tenancy and arrears schedules and a sale memorandum. They must not be used if other standard conditions apply.

GLOSSARY

This glossary applies to the AUCTION CONDUCT CONDITIONS and the SALE CONDITIONS. It is a compulsory section of the Common AUCTION Conditions that must be included without variation (but the SPECIAL CONDITIONS may include defined words that differ from the glossary so long as they apply only to the SPECIAL CONDITIONS).

The laws of England and Wales apply to the CONDITIONS and YOU, WE, the SELLER and the BUYER all submit to the jurisdiction of the Courts of England and Wales.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;
- a "person" includes a corporate body;
- words of one gender include the other genders;
- references to legislation are to that legislation as it may have been modified or re-enacted by the date of the AUCTION or the CONTRACT DATE (as applicable); and
- where the following words appear in small capitals they have the specified meanings.

ACTUAL COMPLETION DATE

The date when COMPLETION takes place or is treated as taking place for the purposes of apportionment and calculating interest.

ADDENDUM

An amendment or addition to the CONDITIONS or to the PARTICULARS or to both whether contained in a supplement to the CATALOGUE, a written notice from the AUCTIONEERS or an oral announcement at the AUCTION.

AGREED COMPLETION DATE

- the date specified in the SPECIAL CONDITIONS; or
- if no date is specified, 20 BUSINESS DAYS after the CONTRACT DATE; but if that date is not a BUSINESS DAY the first subsequent BUSINESS DAY.

APPROVED FINANCIAL INSTITUTION

CATALOGUE

The catalogue for the AUCTION as it exists at the date of the AUCTION (or, if the catalogue is then different, the date of the CONTRACT) including any ADDENDUM and whether printed or made available electronically.

COMPLETION

Unless the SELLER and the BUYER otherwise agree, the occasion when they have both complied with the obligations under the CONTRACT that they are obliged to comply with prior to COMPLETION, and the amount payable on COMPLETION has been unconditionally received in the SELLER'S conveyancer's client account (or as otherwise required by the terms of the CONTRACT).

CONDITION

One of the AUCTION CONDUCT CONDITIONS or SALE CONDITIONS.

CONTRACT

The CONTRACT by which the SELLER agrees to sell and the BUYER agrees to buy the LOT.

CONTRACT DATE

The date of the AUCTION or, if the LOT is sold before or after the AUCTION:

- the date of the SALE MEMORANDUM signed by both the SELLER and BUYER; or
- if CONTRACTS are exchanged, the date of exchange. If exchange is not effected in person or by an irrevocable agreement to exchange made by telephone, fax or electronic mail the date of exchange is the date on which both parts have been signed and posted or otherwise placed beyond normal retrieval.

DOCUMENTS

DOCUMENTS of title including, if title is registered, the entries on the register and the title plan and other DOCUMENTS listed or referred to in the SPECIAL CONDITIONS relating to the LOT (apart from FINANCIAL CHARGES).

PRICE

The PRICE (exclusive of VAT) that the BUYER agrees to pay for the LOT.

READY TO COMPLETE

Ready, willing and able to complete: if COMPLETION would enable the SELLER to discharge all FINANCIAL CHARGES secured on the LOT that have to be discharged by COMPLETION, then those outstanding financial charges do not prevent the SELLER from being READY TO COMPLETE.

SALE CONDITIONS

The GENERAL CONDITIONS as varied by any SPECIAL CONDITIONS or ADDENDUM.

SALE MEMORANDUM

The form so headed (whether or not set out in the CATALOGUE) in which the terms of the CONTRACT for the sale of the LOT are recorded.

AUCTION it is on the basis that YOU accept these AUCTION CONDUCT CONDITIONS. They govern OUR relationship with YOU. They can be varied only if WE agree.

OUR ROLE

- As agents for each SELLER we have authority to
 - prepare the CATALOGUE from information supplied by or on behalf of each SELLER;
 - offer each LOT for sale;
 - sell each LOT;
 - receive and hold deposits;
 - sign each SALE MEMORANDUM; and
 - treat a CONTRACT as repudiated if the BUYER fails to sign a SALE MEMORANDUM or pay a deposit as required by these AUCTION CONDUCT CONDITIONS or fails to provide identification as required by the AUCTIONEERS.
- OUR decision on the conduct of the AUCTION is final.
- WE may cancel the AUCTION, or alter the order in which LOTS are offered for sale. WE may also combine or divide LOTS. A LOT may be sold or withdrawn from sale prior to the AUCTION.
- YOU acknowledge that to the extent permitted by law WE owe YOU no duty of care and YOU have no claim against US for any loss.
- WE may refuse to admit one or more persons to the AUCTION without having to explain why.
- YOU may not be allowed to bid unless YOU provide such evidence of YOUR identity and other information as WE reasonably require from all bidders.

BIDDING AND RESERVE PRICES

- All bids are to be made in pounds sterling exclusive of VAT.
- WE may refuse to accept a bid. WE do not have to explain why.
- If there is a dispute over bidding WE are entitled to resolve it, and OUR decision is final.
- Unless stated otherwise each LOT is subject to a reserve PRICE (which may be fixed just before the LOT is offered for sale). If no bid equals or exceeds that reserve PRICE the LOT will be withdrawn from the AUCTION.
- Where there is a reserve PRICE the SELLER may bid (or ask US or another agent to bid on the SELLER's behalf) up to the reserve PRICE but may not make a bid equal to or exceeding the reserve PRICE. YOU accept that it is possible that all bids up to the reserve PRICE are bids made by or on behalf of the SELLER.

THE PARTICULARS AND OTHER INFORMATION

- WE have taken reasonable care to prepare PARTICULARS that correctly describe each LOT.
- The PARTICULARS are based on information supplied by or on behalf of the SELLER. YOU need to check that the information in the PARTICULARS is correct.
- If the SPECIAL CONDITIONS do not contain a description of the LOT, or simply refer to the relevant LOT number, you take the risk that the description contained in the PARTICULARS is incomplete or inaccurate, as the PARTICULARS have not been prepared by a conveyancer and are not intended to form part of a legal CONTRACT.
- The PARTICULARS and the SALE CONDITIONS may change prior to the AUCTION and it is YOUR responsibility to check that YOU have the correct versions.
- If WE provide information, or a copy of a DOCUMENT, WE do so only on the basis that WE are not responsible for the accuracy of that information or DOCUMENT.

THE CONTRACT

- A successful bid is one WE accept as such (normally on the fall of the hammer). This CONDITION A5 applies to YOU only if YOU make the successful bid for a LOT.
- YOU are obliged to buy the LOT on the terms of the SALE MEMORANDUM at the PRICE YOU bid (plus VAT, if applicable). YOU must before leaving the AUCTION
- provide all information WE reasonably need from YOU to enable US to complete the SALE MEMORANDUM (including proof of your identity if required by US);
- sign the completed SALE MEMORANDUM; and
- pay the deposit.
- If YOU do not WE may either
- as agent for the SELLER treat that failure as YOUR repudiation of the CONTRACT and offer the LOT for sale again: the SELLER may then have a claim against YOU for breach of CONTRACT; or
- sign the SALE MEMORANDUM on YOUR behalf.
- The deposit
- must be paid in pounds sterling by cheque or by bankers' draft made payable to US (or, at OUR option, the SELLER'S conveyancer) drawn on an APPROVED FINANCIAL INSTITUTION (CONDITION A6 may state if WE accept any other form of payment);
- may be declined by US unless drawn on YOUR account, or that of the BUYER, or of another person who (we are satisfied) would not expose US to a breach of money laundering regulations;
- is to be held by US (or, at OUR option, the SELLER'S conveyancer); and
- is to be held as stakeholder where VAT would be

Common Auction Conditions (Edition 4)

Reproduced with the consent of the RICS

G9.4	The SELLER must (a) use all reasonable endeavours to obtain the licence at the SELLER'S expense; and (b) enter into any Authorised Guarantee Agreement ("AGA") properly required (procuring a guarantee of that AGA if lawfully required by the landlord).	(e) not without the consent of the SELLER release any tenant or surety from liability to pay ARREARS or accept a surrender of or forfeit any TENANCY under which ARREARS are due; and (f) if the BUYER disposes of the LOT prior to recovery of all ARREARS obtain from the BUYER'S successor in title a covenant in favour of the SELLER in similar form to part 3 of this CONDITION G11.	G15.5	AGREED COMPLETION DATE, CONDITION G14.1 applies at COMPLETION. The BUYER confirms that after COMPLETION the BUYER intends to (a) retain and manage the LOT for the BUYER'S own benefit as a continuing business as a going concern subject to and with the benefit of the TENANCIES; and (b) collect the rents payable under the TENANCIES and charge VAT on them.	
G9.5	The BUYER must promptly (a) provide references and other relevant information; and (b) comply with the landlord's lawful requirements.	G11.9	Where the SELLER has the right to recover ARREARS it must not without the BUYER'S written consent bring insolvency proceedings against a tenant or seek the removal of goods from the LOT.	G15.6	If, after COMPLETION, it is found that the sale of the LOT is not a TRANSFER of a going concern then: (a) the SELLER's conveyancer is to notify the BUYER's conveyancer of that finding and provide a VAT invoice in respect of the sale of the LOT; (b) the BUYER must within five BUSINESS DAYS of receipt of the VAT invoice pay to the SELLER the VAT due; and (c) if VAT is payable because the BUYER has not complied with this CONDITION G15, the BUYER must pay and indemnify the SELLER against all costs, interest, penalties or surcharges that the SELLER incurs as a result.
G9.6	If within three months of the CONTRACT DATE (or such longer period as the SELLER and BUYER agree) the SELLER has not given licence notice to the BUYER the SELLER or the BUYER may (if not then in breach of any obligation under this CONDITION G9) by notice to the other terminate the CONTRACT at any time before the SELLER has given licence notice. That termination is without prejudice to the claims of either SELLER or BUYER for breach of this CONDITION G9.	G12 G12.1 G12.2 G12.3	MANAGEMENT This CONDITION G12 applies where the LOT is sold subject to TENANCIES. The SELLER is to manage the LOT in accordance with its standard management policies pending COMPLETION. The SELLER must consult the BUYER on all management issues that would affect the BUYER after COMPLETION (such as, but not limited to, an application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a TENANCY; or a new TENANCY or agreement to grant a new TENANCY) and: (a) the SELLER must comply with the BUYER's reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the SELLER to a liability that the SELLER would not otherwise have, in which case the SELLER may act reasonably in such a way as to avoid that liability; (b) if the SELLER gives the BUYER notice of the SELLER's intended act and the BUYER does not object within five BUSINESS DAYS giving reasons for the objection the SELLER may act as the SELLER intends; and (c) the BUYER is to indemnify the SELLER against all loss or liability the SELLER incurs through acting as the BUYER requires, or by reason of delay caused by the BUYER.	G16 G16.1 G16.2 G16.3 G16.4	CAPITAL ALLOWANCES This CONDITION G16 applies where the SPECIAL CONDITIONS state that there are capital allowances available in respect of the LOT. The SELLER is promptly to supply to the BUYER all information reasonably required by the BUYER in connection with the BUYER's claim for capital allowances. The value to be attributed to those items on which capital allowances may be claimed is set out in the SPECIAL CONDITIONS. The SELLER and BUYER agree: (a) to make an election on COMPLETION under Section 198 of the Capital Allowances Act 2001 to give effect to this CONDITION G16; and (b) to submit the value specified in the SPECIAL CONDITIONS to HM Revenue and Customs for the purposes of their respective capital allowance computations.
G10 G10.1	INTEREST AND APPORTIONMENTS If the ACTUAL COMPLETION DATE is after the AGREED COMPLETION DATE for any reason other than the SELLER'S default the BUYER must pay interest at the INTEREST RATE on the money due from the BUYER at COMPLETION for the period starting on the AGREED COMPLETION DATE and ending on the ACTUAL COMPLETION DATE.			G17 G17.1	MAINTENANCE AGREEMENTS The SELLER agrees to use reasonable endeavours to TRANSFER to the BUYER, at the BUYER's cost, the benefit of the maintenance agreements specified in the SPECIAL CONDITIONS. The BUYER must assume, and indemnify the SELLER in respect of, all liability under such agreements from the ACTUAL COMPLETION DATE.
G10.2	Subject to CONDITION G11 the SELLER is not obliged to apportion or account for any sum at COMPLETION unless the SELLER has received that sum in cleared funds. The SELLER must promptly pay to the BUYER after COMPLETION any sum to which the BUYER is entitled that the SELLER subsequently receives in cleared funds.			G17.2	The BUYER must assume, and indemnify the SELLER in respect of, all liability under such agreements from the ACTUAL COMPLETION DATE.
G10.3	Income and outgoings are to be apportioned at the ACTUAL COMPLETION DATE unless: (a) the BUYER is liable to pay interest; and (b) the SELLER has given notice to the BUYER at any time up to COMPLETION requiring apportionment on the date from which interest becomes payable by the BUYER; in which event income and outgoings are to be apportioned on the date from which interest becomes payable by the BUYER.	G13 G13.1	RENT DEPOSITS Where any TENANCY is an assured shorthold TENANCY, the SELLER and the BUYER are to comply with their respective statutory duties in relation to the protection of tenants' deposits, and to demonstrate in writing to the other (before COMPLETION, so far as practicable) that they have complied. The remainder of this CONDITION G13 applies where the SELLER is holding or otherwise entitled to money by way of rent deposit in respect of a TENANCY. In this CONDITION G13 "rent deposit deed" means the deed or other DOCUMENT under which the rent deposit is held. If the rent deposit is not assignable the SELLER must on COMPLETION hold the rent deposit on trust for the BUYER and, subject to the terms of the rent deposit deed, comply at the cost of the BUYER with the BUYER's lawful instructions. Otherwise the SELLER must on COMPLETION pay and assign its interest in the rent deposit to the BUYER under an assignment in which the BUYER covenants with the SELLER to: (a) observe and perform the SELLER's covenants and conditions in the rent deposit deed and indemnify the SELLER in respect of any breach; (b) give notice of assignment to the tenant; and (c) give such direct covenant to the tenant as may be required by the rent deposit deed.	G18 G18.1 G18.2	LANDLORD AND TENANT ACT 1987 This CONDITION G18 applies where the sale is a relevant disposal for the purposes of part 1 of the Landlord and Tenant Act 1987. The SELLER warrants that the SELLER has complied with sections 5B and 7 of that Act and that the requisite majority of qualifying tenants has not accepted the offer.
G10.4	Apportionments are to be calculated on the basis that: (a) the SELLER receives income and is liable for outgoings for the whole of the day on which apportionment is to be made; (b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year (or 366 in a leap year), and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates; and (c) where the amount to be apportioned is not known at COMPLETION apportionment is to be made by reference to a reasonable estimate and further payment is to be made by SELLER or BUYER as appropriate within five BUSINESS DAYS of the date when the amount is known.	G13.2 G13.3 G13.4		G19 G19.1 G19.2 G19.3	SALE BY PRACTITIONER This CONDITION G19 applies where the sale is by a PRACTITIONER either as SELLER or as agent of the SELLER. The PRACTITIONER has been duly appointed and is empowered to sell the LOT. Neither the PRACTITIONER nor the firm or any member of the firm to which the PRACTITIONER belongs has any personal liability in connection with the sale or the performance of the SELLER's obligations. The TRANSFER is to include a declaration excluding that personal liability. The LOT is sold (a) in its condition at COMPLETION; (b) for such title as the SELLER may have; and (c) with no title guarantee; and the BUYER has no right to terminate the CONTRACT or any other remedy if information provided about the LOT is inaccurate, incomplete or missing.
G10.5	If a payment due from the BUYER to the SELLER on or after COMPLETION is not paid by the due date, the BUYER is to pay interest to the SELLER at the INTEREST RATE on that payment from the due date up to and including the date of payment.			G19.4 G19.5	Where relevant: (a) the DOCUMENTS must include certified copies of those under which the PRACTITIONER is appointed, the DOCUMENT of appointment and the PRACTITIONER'S acceptance of appointment; and (b) the SELLER may require the TRANSFER to be by the lender exercising its power of sale under the Law of Property Act 1925. The BUYER understands this CONDITION G19 and agrees that it is fair in the circumstances of a sale by a PRACTITIONER.
G11 Part 1 – Current rent	ARREARS "Current rent" means, in respect of each of the TENANCIES subject to which the LOT is sold, the instalment of rent and other sums payable by the tenant on the most recent rent payment date on or within four months preceding COMPLETION.	G14 G14.1 G14.2	VAT Where a SALE CONDITION requires money to be paid or other consideration to be given, the payer must also pay any VAT that is chargeable on that money or consideration, but only if given a valid VAT invoice. Where the SPECIAL CONDITIONS state that no VAT OPTION has been made the SELLER confirms that none has been made by it or by any company in the same VAT group nor will be prior to COMPLETION.	G20 G20.1 G20.2	TUPE If the SPECIAL CONDITIONS state "there are no employees to which TUPE applies", this is a warranty by the SELLER to this effect. If the SPECIAL CONDITIONS do not state "there are no employees to which TUPE applies" the following paragraphs apply: (a) The SELLER must notify the BUYER of those employees whose CONTRACTS of employment will TRANSFER to the BUYER on COMPLETION (the "Transferring Employees"). This notification must be given to the BUYER not less than 14 days before COMPLETION. (b) The BUYER confirms that it will comply with its obligations under TUPE and any SPECIAL CONDITIONS in respect of the TRANSFERRING Employees. (c) The BUYER and the SELLER acknowledge that pursuant and subject to TUPE, the CONTRACTS of employment between the TRANSFERRING Employees and the SELLER

Part 2 – BUYER to pay for ARREARS	Part 2 of this CONDITION G11 applies where the SPECIAL CONDITIONS give details of ARREARS.	G15 G15.1	TRANSFER AS A GOING CONCERN Where the SPECIAL CONDITIONS so state: (a) the SELLER and the BUYER intend, and will take all practicable steps (short of an appeal) to procure, that the sale is treated as a TRANSFER of a going concern; and (b) this CONDITION G15 applies. The SELLER confirms that the SELLER: (a) is registered for VAT, either in the SELLER'S name or as a member of the same VAT group; and (b) has (unless the sale is a standard-rated supply) made in relation to the LOT a VAT OPTION that remains valid and will not be revoked before COMPLETION.		
G11.4	The BUYER is on COMPLETION to pay, in addition to any other money then due, an amount equal to all ARREARS of which details are set out in the SPECIAL CONDITIONS.				
G11.5	If those ARREARS are not OLD ARREARS the SELLER is to assign to the BUYER all rights that the SELLER has to recover those ARREARS.	G15.2	The BUYER confirms that (a) it is registered for VAT, either in the BUYER'S name or as a member of a VAT group; (b) it has made, or will make before COMPLETION, a VAT OPTION in relation to the LOT and will not revoke it before or within three months after COMPLETION; (c) article 5(2B) of the Value Added Tax (Special Provisions) Order 1995 does not apply to it; and (d) it is not buying the LOT as a nominee for another person. The BUYER is to give to the SELLER as early as possible before the AGREED COMPLETION DATE evidence (a) of the BUYER'S VAT registration; (b) that the BUYER has made a VAT OPTION; and (c) that the VAT OPTION has been notified in writing to HM Revenue and Customs; and if it does not produce the relevant evidence at least two BUSINESS DAYS before the	G19.6

G11.7	Part 3 of this CONDITION G11 applies where the SPECIAL CONDITIONS (a) so state; or (b) give no details of any ARREARS.				
G11.8	While any ARREARS due to the SELLER remain unpaid the BUYER must: (a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the TENANCY; (b) pay them to the SELLER within five BUSINESS DAYS of receipt in cleared funds (plus interest at the INTEREST RATE calculated on a daily basis for each subsequent day's delay in payment); (c) on request, at the cost of the SELLER, assign to the SELLER or as the SELLER may direct the right to demand and sue for OLD ARREARS, such assignment to be in such form as the SELLER'S conveyancer may reasonably require; (d) if reasonably required, allow the SELLER'S conveyancer to have on loan the counterpart of any TENANCY against an undertaking to hold it to the BUYER's order;	G15.3 G15.4
